SAN FRANCISCO, Oct. 23.—"What's your name?" demanded Assistant District Attorney Beesey, of a Mexican charged with vagrancy.

The defendant brushed back his hair, but did not speak. Beesey repeated his question. Same response. Then the Spanish interpreter tried. The man pointed to a spot on his forehead. Beesey looked closely and tattooed on the man's brow was "Fred

The Real Suffrage
Thought of Women

Motherhood is the thought uppermost in woman's mind. And with it, of course, comes the question of the help of the state and the nation.

Among the best of these is a well known external remedy, "Mother's Friend." It is gently applied to the surface muscles. These are lubricated, toned, made pliable so they stretch as nature requires without the strain and pain on corals and ligaments.

Through the myriad of nerves to deeper surfaces, the internal organs. And thus a period of repose must reflect itself not only in the mind of the mother, but upon the babe to come.

A point upon which all experienced people agree is the accepted fact that whatever an expectant mother may do for herself that is safe and harmless is bound to encourage confidence in herself. And as she applies "Mother's Friend" with her own hand, when ever required and just where needed, she soon learns to forget those apprehensions at often imaginary.

Young mothers who have used "Mother's Friend" have written to say how rejoiced they were at the absence of morning sickness, extreme nervousness, and other distresses of which they had heard and feared. Get a bottle of "Mother's Friend" at any drug store. Simply apply it over the stomach muscles and rest assured of perfect safety and comfort day and night. FAMILY AVOIDS
SERIOUS SICKNESS

By Being Constantly Supplied With
Theford's Black-Draught.

McDuff, Va.—"I suffered for several years," says Mrs. J. B. Whitaker, of this place, "with sick headache, and stomach trouble."

Ten years ago a friend told me to try Theford's Black-Draught, which I did, and I found it to be the best family medicine for young and old.

I keep Black-Draught on hand all the time now, and when my children feel a little bad, they ask me for a dose, and it does them more good than any medicine they ever tried.

We never have a long spell of sickness in our family, since we commenced using Black-Draught.

Theford's Black-Draught is purely vegetable, and has been found to regulate weak stomachs, aid digestion, relieve indigestion, colic, wind, nausea, headache, sick stomach, and similar symptoms.

It has been in constant use for more than 70 years, and has benefited more than a million people.
